Robert Haley Asher

Robert Haley Asher, September 9, 1945

Robert Haley Asher was born 28 March 1868, to Josephus Marion Asher, who was the first commercial nurseryman in the San Diego area, providing buyers with fruit trees, shrubs, & vines from his Fruit Vale ranch in Paradise Valley, National City. Robert Asher settled on Palomar Mountain in 1903, and ultimately had 160 acres, living in the Pauma Creek / State Park area. Robert Asher also lived off Palomar Mountain part of the year working as a nurseryman among other things. On Palomar, Asher photographed summer campers, then developed and sold them photos; he also sold postcards off his photos, trapped animals for pelts, collected and sold wild plants, picked apples, and worked odd jobs. Asher moved off Palomar Mountain in 1946 to his sister Mrs. Josephine A. Vacher's place on Fuerte Drive in El Cajon and continued to visit Palomar Mountain until 1951. Asher passed away on 25 April 1953.

These digitized pages are from the Robert Haley Asher papers (held by Peter Brueggeman). When Josephine Vacher's son vacated the family house in El Cajon, the family gave Robert Asher materials at that location to Peter, due to his Palomar Mountain history interests. Digitization of these materials and posting them to the Internet Archive is intended to enhance and preserve access to these materials.

Toward the end of 1903 there was considerable agitation in favor of the establishment of a government Parcel Post system. I was a subscriber to the Pacific Print World at the time and was very much in favor of the proposed innovation. Mr. Edward Berwick's articles especially attracted my attention and I finally determined to dip my oar in the waters with a Parcel Post Poem.

[Some of the scraps have survived to this day - July 12, 1946]

I must have had some trouble getting started. One of the earlier efforts started out as follows:

No for the Senator's fight
List to the hullebaloo
Trades to the left and the right

There in the Washington Zoo.

What can the farmer boy do -
Poor little innocent lamb -

With pitiful cry to the crew -
"Parcel Post, please, Uncle Sam!"

Money for aeroplane flight

Dollars for battleships new

Millions and millions in sight

Everything under the blue

Ask, and you'll get, is the cue

Silk stockings free, or a dam -

One request only's asked

"Parcel Post please, Uncle Sam."

"No, Mister Farmer - not you!"

Old Pegasus must have thrown me about here -
for the final draft of my poem - the one that was

published in the Pacific Fruit World,
was set to a different tune. Here it is as
printed the first time.

A Parcel Post Poem.

By Robt. H. Asher, La Mesa, Cal.

Right Under Your Stupid Old Nose

Fritz mails for six cents to Carl in Cologne,
Eleven pounds of prunes from Eberfeld Town;
When I send a package to Jay in Cajon,
It costs me six cents for six ounces alone.
Oh, Uncle, dear Uncle, please put that map down,
And look at this thing right under your nose
That's a fact! 'Tis a fact!
Right under your stupid old nose!

I can say of a truth - with freedom from spite -
That our darling old Uncle (Sam is his name)
Has a most re-mark-a-ble sight!
He can see like an owl in the darkest night
To Manila! To Havana? Colon? 'Tis the same!
But he can't see a thing right under his nose.
That's a fact! 'Tis a fact!
Right under his stupid old nose

If a country gets off from the straightaway path
Our Uncle - he sees it as certain as fate,
And with fire in his eyes and heart full of wrath,
He goes for that country with a stout Yankee lath.

(3)

And makes it walk neatly the path called "straight."
But he can't see a thing right under his nose.
That's a fact! 'Tis a fact!
Right under his funny old nose!

And sure when he gets gooley - goo cars
(That Little Boy Langley is fixing for him)
He'll be raking around the planets and stars,
And planning new orbits for Venus and Mars,
Arranging and changing with strenuous vim.
But he can't see a thing right under his nose.
That's a fact! 'Tis a fact!
Right under his dizzy old nose!

I mailed the thing to the editor of the Pacific Tri-Unit
World with fear and trepidation - but he wrote me a
nice letter and printed the "poem" just as I had written
it - except that my address was given as La Mira Cal,
instead of La Mesa, Cal, where I was living at the time.
Then came a very fine letter from Mr. Edward Berwick
himself.
